A WORD FROM OUR BOARD PRESIDENT

Dear Friends of the Berkshires Theatre Group:

As we approach the 100th anniversary of the Berkshire Theatre Festival, we are proud and excited to bring the magic of summer programming to our friends, neighbors, and visitors. Our creative team has assembled a fantastic and eclectic group of productions for this summer, all of which I enthusiastically recommend. In a world that seems increasingly challenging and divisive, theatre is a place where we can civilly participate in important discussions or simply enjoy “mindless” entertainment.

Of course, what we do at BTG includes monetary costs, and ticket sales represent only a fraction of our expenses in running our buildings and programs. We therefore cherish your philanthropy.

I hope our theatres are homes for you this summer and for years to come. I am humbled and honored to lead this fabulous organization and hope you share my excitement for the summer ahead.

WELCOME TO OUR THEATRE!

“It is in search of courage that we come to the Berkshires. We are prepared to bring to these green hills, where music and dance are already a way of life, a special urge to recapture the American manner and make it fuse with the boldest discoveries from abroad. We have a hunch that this community is prepared to look upon the theatre as a continuous quest for excellence. What we expect from the people of the Berkshires is not applause but a readiness to join us in the adventure.” -George Tabori, Berkshire Theatre Festival Artistic Director, 1964

It seems that this vision is still at the heart of all we do. And as we approach our historic 100th anniversary in 2028, we look forward to meeting our future with you, especially as we navigate these times. We believe the arts are more important than ever. We believe we are a home in which we can shine a light onto our shared humanity.

Thank you for being a part of the remarkable story of Berkshire Theatre Group where communities and creativity meet on legendary stages.

Onward...always!

Do you care about the future of Berkshire Theatre Group?

Bring that caring forward.

A Legacy Gift in any amount is meaningful to BTG and to you. The arts are for the ages, and in our time we should protect them.

Consider how you would wish to be remembered, then join the BTG Legacy program. I did, and it gives me a peaceful feeling of completion.

In my time, I cared. After my time, my caring will continue.

PLANNED GIVING

Over the decades, friends of Berkshire Theatre Festival and The Colonial Theatre have helped ensure the future of the artistry you see on our stages, the work we do with students, and the upkeep of our historic buildings through generous legacy gifts. These generous contributors are part of The Neil E. Ellenoff Legacy Fund, and are recognized for generations to come for their lasting impact.

Consider supporting Berkshire Theatre Group as you do your estate planning. Remembering a loved one with a gift to BTG is a lasting one. Giving options abound including: designated funds held by a foundation or other fiduciary and other special trusts that can provide you or your family with income while also benefiting the theatre. Making a bequest will ensure our theatres' vibrant future.

Berkshire Community Action Council

Elf/Children's Warm Clothing Program

At BCAC we believe no child should be cold as they walk to school in the winter. They should be able to play outside in the snow with their friends. This year more than ever we are asking for support for our Children's Warm Clothing Program. This program has been a staple in the community for over 40 years. In 2023 we provided NEW coats and boots to over 2,000 children, this year we are expecting an increase in need, and we can't meet that need without your help.

BCAC provides a NEW winter jacket, NEW boots, and accessories for children up to age 12. Each winter season low-income parents who sign up for the Elf/Children's Warm Clothing Program are invited to shop at The Children's Winter Boutique where families can choose a NEW coat, boots, and warm accessories for each child, at no cost. This helps to ensure that the items fit and that styles matched each child's preferences.

"The Children's Winter Boutique" is made possible by generous donors like you, allowing us to serve the increasing demand for warm clothing for our Children in Berkshire County.

One thing that never changes is that our Berkshire community steps up to help families and children in need. Warm hearts for warm kids. Please consider making a donation.

B. Carter White, Jane Harte and Pauline Keyburn “Keye” Hollister were three individuals who guided us with faith in the arts and belief that our continuing forward would strengthen our community.

We hold our years with them dear and honor them by dedicating our 2024 season to their memories.
